## Welcome from the Chief Exec

Dear Candidate

Thank you for showing an interest in joining our team at Djanogly Learning Trust. We have a simple shared mission here at Djanogly – to make a difference to the lives of our children and their families.

Children at our established academies are leaving well prepared for the next stage in their learning. End of key stage achievements are in line, above or rapidly catching up with national averages. Children make great progress in our academies, both in terms of academic achievement and in their development as future citizens. Our children are engaged and keen to learn, they are polite and supportive towards each other. Visitors to our academies always comment on the warm welcome and the calm atmosphere.

Where newer academies have joined our Djanogly family it's because they share our commitment to our children and communities as well as our drive to be the best we can be.

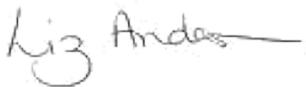

As professionals, we know that this doesn't happen by accident. We are committed to providing high quality support to all our staff, whatever their role. Our continuous professional development strategy is called 'Journey to Excellence' and through this, we ensure that everyone has opportunities that are unique to them.

A recent Ofsted at one of our primary schools states:

*"The journey to excellence ethos permeates all aspects of the school...Staff are extremely positive about this approach and said that it helped them to improve"*

This is a tremendous opportunity to make a difference and to be part of a dynamic and innovative staff team. We look forward to receiving your application and working with you on your own professional journey to excellence.

Best regards

Our track record demonstrates our ability to deliver on our core purpose; achievement for every child. Our portfolio of schools serves a range of communities, all have their challenges but all are fully inclusive and firmly believe that where a child starts out in life should not determine what they can achieve in their lives.

Our values are central to the strong, positive ethos that we share throughout our family of schools. This approach focusses on securing success for all our learners and providing them with the very best life opportunities. We believe nothing is more important than making a difference for our children.

We are proud to bear the name of our founding sponsor Sir Harry Djanogly. Sir Harry is a great supporter of education and the arts, his textile business was based in the East Midlands and he remains committed to the region despite now living in the capital.

### **Resilience**

We believe it's crucial for both children and adults to develop a strong sense of self in order to succeed in challenging times. Our mission is to ensure that our children and staff have the independence to work things out for themselves, the confidence to ask for help when they need it and the courage to never give up.

### **Excellence**

We believe that everyone deserves to experience excellence. Our organisation is ambitious and we endeavour to support all our children and staff to reach their full potential. We commit to delivering high quality professional support at all levels as part of our journey to excellence. By providing this excellence in teaching and learning, we ensure that all our children have the necessary knowledge and skills to succeed.

### **Achievement**

Learning is at the very heart of everything we do. We believe that academic success provides the foundation that allows all children the opportunities to make the most of their lives and the opportunities available to them.

Exciting, engaging and inspiring lessons lie at the centre of our curriculum and we constantly strive to provide every child with the very best educational experiences.

Should a child require additional support, a range of services are available to ensure every child's success, whatever their individual educational needs.

## OUR Curriculum at Springfield Ac

We know that children learn in different ways and at Springfield Academy we provide a rich and varied curriculum that allows children to develop to their full potential. Our curriculum is carefully planned to meet the needs of our children and our community whilst still covering the knowledge, skills and understanding set out in the National Curriculum.

Our Early Years Foundation Stage curriculum is based on the 7 areas of learning:

- Personal, Social and Emotional Development
- Communication and Language
- Physical Development
- Literacy
- Maths
- Understanding the World
- Expressive Arts and Design

At Springfield we have designed an interesting, engaging and relevant curriculum using a topic approach for many of our lessons. Our topics cover many different subject areas, for example, our Year 3/4 topic called 'How do we see, how do we hear?' includes Science, Art, Music & DT. Our topics are changed every half term. Classes work in teams so that two year groups do the same topics. The topics are set on a two-year cycle so nobody repeats the same topic.

As one of our school values is **aspiration**, we want our children to know as much as possible about the world around them both here in Bulwell and Nottingham and beyond... We believe our children need to understand more about people and places so that they can make more informed choices about their own future. To do this we plan regular trips and visits including three different residential camping experiences. We also invite visitors into school like the local vet and members of different religions to enrich the learning experience.

To help our children to learn best by developing their **co-operation** and **determination** we teach additional skills alongside our topics and English and maths. We call these skills 'Core Learning Skills' and we believe they give children the power to learn well. We teach one skill a term starting with 'Learning with Others' in September so that the children can quickly settle into their new classes. Other skills include 'Thinking Skills' which they children love as they get to really unpick how, why and what if? More information on our 'Core Learning Skills' can be found on a special page! We believe in providing equal opportunities for our children and work hard to ensure access for all.

We teach **respect** for others by ensuring every child understand British Values and have timetabled lessons on this in addition to our other topics.

If you would like to know more about the curriculum at Springfield, please speak to the children or any of the staff in school. We are always happy to talk about the learning taking place here at Springfield and would be delighted to show you the children's work. We are proud of the achievements and progress our children make during their time with us.

## About the Academy

**Situate in the community of Bulwell, we are aspirational for the community we serve, ensuring every child has the best access to education.**

Springfield Academy moved into a brand new, purpose built school in the autumn 2016. Our site not only has been designed for our community but is situated on an extensive land which we are in the process of developing to extend learning outside the classroom.

Springfield Academy became part of the Djanogly Learning Trust family of schools in April 2017.
