Welcome from the Chief Exec

Dear Candidate

Thank you for showing an interest in joining our team at Djanogly Learning Trust. We have a simple shared mission here at Djanogly – to make a difference to the lives of our children and their families.

Children at our established academies are leaving well prepared for the next stage in their learning. End of key stage achievements are in line, above or rapidly catching up with national averages. Children make great progress in our academies, both in terms of academic achievement and in their development as future citizens. Our children are engaged and keen to learn, they are polite and supportive towards each other. Visitors to our academies always comment on the warm welcome and the calm atmosphere.

Where newer academies have joined our Djanogly family it's because they share our commitment to our children and communities as well as our drive to be the best we can be.

As professionals, we know that this doesn't happen by accident. We are committed to providing high quality support to all our staff, whatever their role. Our continuous professional development strategy is called 'Journey to Excellence' and through this, we ensure that everyone has opportunities that are unique to them.

A recent Ofsted at one of our primary schools states:

"The journey to excellence ethos permeates all aspects of the school...Staff are extremely positive about this approach and said that it helped them to improve"

This is a tremendous opportunity to make a difference and to be part of a dynamic and innovative staff team. We look forward to receiving your application and working with you on your own professional journey to excellence.

Best regards

What is it like to work at Djanogly Learning Trust?

The best way for us to know what it is like to work for the Trust is to seek staff opinion. This is very important to us and we use a variety of methods to gather feedback. For example we undertake an annual staff survey. **In 2019, 88% of our staff said that they feel proud to work for the Trust and 84% would recommend others to work for us.**

Our values are at the heart of everything we do and we are very proud that **91% of staff say that there is a clear and consistent set of values that we use on a daily basis. Even better, 93% say that our actions are in line with our Trust values to put children first.**

As part of our journey to excellence and our commitment to active employee engagement, we have an **employee voice forum and a wellbeing committee.** Both of these are attended by staff from across the Trust at all levels to feedback to the CEO and HR about areas for development.

We hold an annual Trust INSET event which all staff attend. This year we asked staff to use words to describe their overriding feelings about working in the Trust. We are so proud to share their thoughts below.

Overview of the Trust

Djanogly Learning Trust is a dynamic Multi Academy Trust based in the East Midlands. Our Trust group is committed to providing high quality education for all our children, regardless of their backgrounds. Our track record demonstrates our ability to deliver on our core purpose; achievement for every child. Our portfolio of schools serve a range of communities, all have their challenges but all are fully inclusive and firmly believe that where a child starts out in life should not determine what they can achieve in their lives.

Our values are central to the strong, positive ethos that we share throughout our family of schools. This approach focusses on securing success for all our learners and providing them with the very best life opportunities. We believe nothing is more important than making a difference for our children.

We are proud to bear the name of our founding sponsor Sir Harry Djanogly. Sir Harry is a great supporter of education and the arts, his textile business was based in the East Midlands and he remains committed to the region despite now living in the capital.

Our Vision and Ethos

We believe that every child has the right to an education that gives them the best opportunity to succeed and prosper. We know that this takes great people, hard work and attention to detail. This is a considerable responsibility and we take it very seriously. Everyone within our trust is fully committed to learning. Our ethos is to be innovative in order to improve, to develop resilience in order to face challenges, and to strive for excellence in everything we do.

Innovation

We believe it's vital to look for new and creative approaches in order to maintain our ongoing commitment to improving our teaching and learning provision. We strive tirelessly to achieve the best, are not afraid to take risks and are never complacent. All of our staff are actively encouraged to look for improved ways of working and to promote an atmosphere of trust.

Resilience

We believe it's crucial for both children and adults to develop a strong sense of self in order to succeed in challenging times. Our mission is to ensure that our children and staff have the independence to work things out for themselves, the confidence to ask for help when they need it and the courage to never give up.

Excellence

We believe that everyone deserves to experience excellence. Our organisation is ambitious and we endeavour to support all our children and staff to reach their full potential. We commit to delivering high quality professional support at all levels as part of our journey to excellence. By providing this excellence in teaching and learning, we ensure that all our children have the necessary knowledge and skills to succeed.

Achievement Learning is at the very heart of everything we do. We believe that academic success provides the foundation that allows all children the opportunities to make the most of their lives and the opportunities available to them.

Exciting, engaging and inspiring lessons lie at the centre of our curriculum and we constantly strive to provide every child with the very best educational experiences.

Should a child require additional support, a range of services are available to ensure every child's success, whatever their individual educational needs.

Langley Mill is a 3-form entry junior school in Langley Mill, Derbyshire. It has recently expanded from 2-form entry to cope with a rising demand for places at this popular community school. Langley Mill's motto is 'Live Laugh Learn' and they do plenty of all three.

Laceyfields Academy

Laceyfields is a small infant school in Langley Mill, catering children from 3 to 7 years. They joined the Trust in 2019 to ensure that their children could benefit from being part of something bigger. This has helped them to provide an even broader range of opportunities to achieve their ambition to 'Help Little Minds Grow'.

Kensington Junior Academy

Kensington is a 2-form entry junior school in Ilkeston, Derbyshire. They actively promote a culture where children care for themselves and each other, for their school and their community, and where they can develop as happy, responsible and self-disciplined members of society.

At Langley Mill Academy we value:

Respect - for ourselves and others in all we say and do

Confidence - to believe in ourselves and make a positive contribution to our community

Determination - to overcome obstacles and reach success

Enthusiasm - to seek opportunity, find positives and pursue talents and interests

Aspiration - to dream big and be prepared to work hard to be successful

Kindness - to help and support others, and empathise with those experiencing challenges

These values underpin our learning behaviours and flow through our curriculum. They identify us as a team and unite us in a shared vision. Our motto is: *Live, Laugh, Learn* – living life to the fullest through learning together as a community.

Rationale - Our Curriculum at Langley Mill Academy

At Langley Mill Academy we believe that our children need a curriculum that promotes ambition and aspiration, through purposeful and rich experiences that broaden their perspective on life.

We know that our children need a curriculum that embeds knowledge, expands vocabulary and captures their imagination. We ensure that our curriculum provides the vital inspiration and challenge to give our children the confidence to choose and own their future.

Our curriculum allows children to retain knowledge and vocabulary. It is carefully designed so that children can build on knowledge and skills learned and use them in the next stage of their education.

We have tailored the implementation of our curriculum to ensure that it meets the needs of all learners whatever their starting point may be. We recognise that some of our children have significant barriers to learning, whether they be physical, emotional, social or cognitive and we work hard to ensure that these barriers are removed or their impact lessened.

We ensure that all children gain a wealth of experience beyond their learning in the classroom. We want our wider curriculum to inspire children to want to learn more, to provoke curiosity and to create experiences that are memorable.

Our intention:

At Langley Mill Academy we believe our children should learn about the world that they have come from (Values), the world around them (Journeys) and their local community (Origins). We aim to prepare them for the next stage of their education so that they are competent and fluent readers, writers and mathematicians. We want our pupils to know about themselves, their own bodies, their own feelings and their own health and we do this through our RSHE curriculum.

We teach our children the National Curriculum through discrete subjects and through three themes:

Values – Journeys – Origins

Each year group has a different theme within our three broader themes. Learning gradually builds on these themes over the four year groups in Key Stage 2:

Values – Y3: Invaders and Settlers, Y4: Romans, Y5: Ancient Greeks, Y6: Britain during WWII

Journeys – Y3: Around the World in 80 Days, Y4: How the world we know today was changed by explorers, Y5: To Boldly Go, Y6: An Unexpected Journey

Origins – Y3: Robin Hood – myth or legend? Y4: What happened in Tudor Derbyshire? Y5: What was Victorian Langley Mill like? Y6: Which is the most important valley in the world – the Nile or the Derwent?

Implementation

English and mathematics are taught daily.

Children take part in themed reading sessions three times a week and listen to the class novel five times a week. Individual reading is also completed – the frequency is based on a needs basis. Phonics, where needed, is taught daily via targeted interventions. Spelling is taught weekly.

Dedicated lessons in PE and BSL are taught twice a week, RE (following the Derbyshire Agreed Syllabus) and RSHE once a week. Science is taught as a block each term and computing for an extended lesson once a fortnight.

The three broad themes teach the skills and knowledge of the history, geography, design and technology, music and art curriculum. These topics have links to Values for Life in Modern Britain, outdoor learning, the Djanogly Dozen and offsite learning.

Theme days are marked and celebrated each term such as Communities day, online safety, 'Show Racism the Red card', Anti-Bullying and Children in Need.

Impact

Our aim is that our children leave Langley Mill Academy completely ready and prepared for the next stage of their education. This will be evident in several ways:

- attainment and achievement outcomes
- standard of learning in books
- pupil voice
- destination data
- attendance data
- behaviour data
