## Welcome from the Chief Exec

Dear Candidate

Thank you for showing an interest in joining our team at Djanogly Learning Trust. We have a simple shared mission here at Djanogly – to make a difference to the lives of our children and their families.

Children at our established academies are leaving well prepared for the next stage in their learning. End of key stage achievements are in line, above or rapidly catching up with national averages. Children make great progress in our academies, both in terms of academic achievement and in their development as future citizens. Our children are engaged and keen to learn, they are polite and supportive towards each other. Visitors to our academies always comment on the warm welcome and the calm atmosphere.

Where newer academies have joined our Djanogly family it's because they share our commitment to our children and communities as well as our drive to be the best we can be.

As professionals, we know that this doesn't happen by accident. We are committed to providing high quality support to all our staff, whatever their role. Our continuous professional development strategy is called 'Journey to Excellence' and through this, we ensure that everyone has opportunities that are unique to them.

A recent Ofsted at one of our primary schools states:

*"The journey to excellence ethos permeates all aspects of the school...Staff are extremely positive about this approach and said that it helped them to improve"*

This is a tremendous opportunity to make a difference and to be part of a dynamic and innovative staff team. We look forward to receiving your application and working with you on your own professional journey to excellence.

Best regards

Liz Anderson

## Letter from the Head of School

Djanogly Sherwood Academy is an ambitious school where children are valued and placed firmly at the heart of everything we do. Everyone is committed to making a difference for the children and families in our community.

Making a difference at Djanogly Sherwood Academy really does mean just that. Our children are fantastic and the job satisfaction that you have from working with them and being part of our community is enormous. We have a constant drive to improve so that everyone, children and adults alike, can succeed.

People ask me why they should work at Sherwood. My message is clear: at the end of each day you know that you can go home, having worked hard, but really know that you have had a big impact on the lives of our children and their families. You have made a real difference.

We set high expectations of ourselves and our team but your career development and professional worth is huge and much greater at Djanogly than in other schools. In addition, being part of a growing group of academies brings many more opportunities for professional growth. We serve a diverse community in inner City Nottingham, we have children from over 30 different cultures, many who live in deprived households yet we ensure that they all achieve their potential and our end of key stage results are in line with national with no groups significantly underachieving in comparison with their peers.

Our high aspirations were reflected in our Ofsted report in February 2018 in which our feedback details:

*"Pupils are happy and enjoy experiences in school. They are polite, confident and self-assured. Pupils recognise that their teachers want them to do well and are keen to succeed in all aspects of school life".*

We recognise that this takes everyone working as a team, united in striving to give our children the best possible education.

If you are considering joining us then please take the time to come and visit us to see for yourself why we think Djanogly primary academies are the best.

I look forward to reviewing your application form and possibly meeting you in the near future.

Kind regards

Hayley Keen  
Head of School

## Overview of the Trust

Djanogly Learning Trust is a dynamic Multi Academy Trust based in the East Midlands. Our Trust group is committed to providing high quality education for all our children, regardless of their backgrounds. Our track record demonstrates our ability to deliver on our core purpose; achievement for every child. Our portfolio of schools serve a range of communities, all have their challenges but all are fully inclusive and firmly believe that where a child starts out in life should not determine what they can achieve in their lives.

Our values are central to the strong, positive ethos that we share throughout our family of schools. This approach focusses on securing success for all our learners and providing them with the very best life opportunities. We believe nothing is more important than making a difference for our children.

We are proud to bear the name of our founding sponsor Sir Harry Djanogly. Sir Harry is a great supporter of education and the arts, his textile business was based in the East Midlands and he remains committed to the region despite now living in the capital.

### **Our Vision and Ethos**

We believe that every child has the right to an education that gives them the best opportunity to succeed and prosper. We know that this takes great people, hard work and attention to detail. This is a considerable responsibility and we take it very seriously. Everyone within our trust is fully committed to learning. Our ethos is to be innovative in order to improve, to develop resilience in order to face challenges, and to strive for excellence in everything we do.

### **Innovation**

We believe it's vital to look for new and creative approaches in order to maintain our ongoing commitment to improving our teaching and learning provision. We strive tirelessly to achieve the best, are not afraid to take risks and are never complacent. All of our staff are actively encouraged to look for improved ways of working and to promote an atmosphere of trust.

### **Resilience**

We believe it's crucial for both children and adults to develop a strong sense of self in order to succeed in challenging times. Our mission is to ensure that our children and staff have the independence to work things out for themselves, the confidence to ask for help when they need it and the courage to never give up.

### **Excellence**

We believe that everyone deserves to experience excellence. Our organisation is ambitious and we endeavour to support all our children and staff to reach their full potential. We commit to delivering high quality professional support at all levels as part of our journey to excellence. By providing this excellence in teaching and learning, we ensure that all our children have the necessary knowledge and skills to succeed.

### **Achievement**

Learning is at the very heart of everything we do. We believe that academic success provides the foundation that allows all children the opportunities to make the most of their lives and the opportunities available to them.

Exciting, engaging and inspiring lessons lie at the centre of our curriculum and we constantly strive to provide every child with the very best educational experiences.

Should a child require additional support, a range of services are available to ensure every child's success, whatever their individual educational needs.

## OUR SHERWOOD 'CURRICULUM TO INSPIRE'

### PRINCIPLES OF EFFECTIVE LEARNING

Our Sherwood Curriculum to Inspire aims to promote a love of learning and discovery, as well as the development of the whole child. We have developed a skills based curriculum which is in conjunction with engaging teaching strategies such as 'Mantle of the Expert' as well as 'Elements of Discussion' in order to support our children to be successful learners and citizens.

### What is our curriculum based around?

To help our children to develop as successful learners and members of the school and wider community we have developed our 5R Learning Powers. These characteristics are taught and developed through our series of PSHE learning power days, as well as circle time sessions. The children learn to know how these learning powers can support them to become successful.

#### Our 5R's

**Resilience**

**Respect**

**Relationships**

**Resourcefulness**

**Reflection**

We know that children learn in different ways and at Djanogly Sherwood we provide a rich and varied curriculum that allows children to develop to their full potential. We use a variety of teaching strategies that include but are not limited to;

- Investigation and problem solving
- Research
- Group and paired work
- Creative activities
- Trips and visitors to inspire
- Debate, role play and oral presentations

We encourage children to take responsibility for their own learning; to be involved as far as is possible in reviewing their learning and to reflect on how they learn best.

Our curriculum is carefully planned to meet the needs of our children and our community whilst still covering the knowledge, skills and understanding set out in the National Curriculum. In English and maths we closely follow the expectations set out for each year group in the National Curriculum.

To teach phonics we use the Nottingham City Letters and Sounds document. This is taught daily throughout the foundation years and year 1. In Year 2 and above it is used to boost children who did not achieve the expected standard in the phonics screening test or children who are new to English and recently joined the school.

Our reading books in school are from a range of schemes and are banded according to the Reading Recovery Book Bands. We teach reading through a range of approaches using Switch on, Reading Recovery, guided reading and individual reading.

Maths fluency is taught daily to ensure that our children become mathematically literate and accurate in their calculations. In Early Years the Mastery Approach is used to teach all children to ensure that they have a good knowledge of the foundations of number.
